A sister and a brother are forced to flee from their home only to find themselves alone in a whole new landscape. A New-Place. Surely they will find safety here?

But shshshsh! Just beyond in a chicken-leg house, lurks the most dangerous new danger, of the snap-you-up-and-gobble-you-down-if-you're-not-careful variety. The most infamous of witches. The most unpredictable of adversaries.

The lip-smacking, chiddler-nicking, fear-smelling Baba Yaga!

Stand by for magical shenanigans and belly-laughs aplenty which celebrates the brilliance and bravery of children (if you can stop shaking in your socks that is!)

A dark new fairytale, where danger skulks in the least expected corners, but safety is closer than you think. 'Shshshsh! She's here!'
