PROJECT 2: THREE UP

December 2017 - May 2018

Three Up is an unique opportunity for four ATT Young Writers to collaborate with other young writers based in Australia and Canada.

Learn writing skills from professional writers, complete mini projects and challenges with other writers from the three countries, and share your work digitally across the globe.

The project culminates in a fantastic sharing event where you can see your very own writing performed live across three continents.

There are various sessions at Whitby Hall and projects for you to complete at home.

PROJECT 3: WRITE A PLAY TOGETHER

December 2017 - April 2018

Taking one idea from the Writers' Cafe, the Young Writers collectively create a short play, working with award-winning writers and theatre-makers.

The finished play then tours local schools and Whitby Hall, performed by students from West Cheshire College.

Session dates: 7th November (6-9pm), 21st November (6-9pm), 9th December (11am-3pm), 14th January (11am-3pm), 28th January (11am-3pm), 31st January (6-9pm), 11th February (11am-3pm)
